

Presents a Weekend Workshop on
'Felting with Alpaca Fiber'

Taught by the incredible fiber artist

Sherry Watkins of Frostglen Alpacas,

Loudon, TN

During this weekend, we will be:

- Making a pair of felted alpaca moccasins
- Felting Goat Milk bar soap
- Learning the true ins and outs of fiber skirting for show fleeces
- Learning how to dye fiber using commercial dyes and Kool-Aid.

Get ready to turn those creative juices loose!

Once these techniques are learned, there are endless craft and clothing possibilities, and it offers some great answer's for "What do you do with Alpaca's?"

Workshop will be held Jan. 27 and 28, in Bonham, TX, at the American Bank, Elizabeth May Room, 9am to 6pm.

A farm tour of Shaggy Chic Suri Ranch™ on Sunday the 29th, wraps up the weekend. Come to see the animals that give us this luxuriously soft and warm fiber, have some snacks, and get to ask Sherry any remaining questions.

Cost for the weekend is \$175. Lunch and materials provided Friday and Saturday.

Reservations by Jan. 20th is a must for the purchase of necessary supplies!
\$75 non-refundable deposit is due at time of reservation, with the rest due at
the beginning of Friday class.
